WIRELINE COMPETITION BUREAU ANNOUNCES COUNTIES WHERE CONDITIONAL FORBEARANCE FROM THE LIFELINE VOICE OBLIGATION APPLIES

WC Docket No. 11-42

By this Public Notice, the Wireline Competition Bureau (Bureau) announces the counties in which conditional forbearance from the obligation to offer Lifeline-supported voice service applies, pursuant to the Commission's *2016 Lifeline Order*.¹ This forbearance applies only to the Lifeline voice obligation of eligible telecommunications carriers (ETCs) that are designated for purposes of receiving both high-cost and Lifeline support (high-cost/Lifeline ETCs), and not to Lifeline-only ETCs.² Appendix A lists the counties where the Commission's conditional forbearance from high-cost/Lifeline ETCs' Lifeline voice obligation will apply effective on September 15, 2017.

The *2016 Lifeline Order* established forbearance from Lifeline voice service obligations in targeted areas where certain competitive conditions are met.³ To accomplish this forbearance, the Commission directed the Bureau to release a yearly public notice announcing the counties in which the competitive conditions are met.⁴ In particular, the Commission granted forbearance from high-cost/Lifeline ETCs' obligation to offer and advertise Lifeline voice service in counties where the following conditions are met: (a) 51 percent of Lifeline subscribers in the county are obtaining broadband Internet access service; (b) there are at least three other providers of Lifeline broadband Internet access service that each serve at least five percent of the Lifeline broadband subscribers in that county; and (c) the ETC does not actually receive federal high-cost universal service support.⁵

The counties listed in Appendix A meet the first two conditions; and for ETCs that are receiving high-cost support in these counties, the forbearance applies only in areas within the county where the ETC does not receive high-cost support.⁶ We note that this forbearance does not grant relief from the Lifeline voice service obligation as to those Lifeline subscribers that the high-cost/Lifeline ETC serves as of the date of this Public Notice.⁷ Additionally, this forbearance does not preclude ETCs from electing to provide and receive reimbursement for Lifeline-discounted voice service.⁸

This forbearance will apply in the counties identified in Appendix A of this Public Notice, to the extent that ETCs are not receiving federal high-cost universal service support in those areas, until sixty days after the Bureau issues a Public Notice in 2018 announcing an updated list of counties in which the Commission's conditional forbearance applies.⁹
